**PALM SPRINGS MODERN COMMITTEE ANNUAL MEMBERSHIP PARTY  
YOU ARE INVITED**  
**2016 Membership Cocktail Reception on Saturday, April 30 from 5:30-7:30pm**

This year's party offers a unique opportunity to see the very latest in contemporary design in a secluded area within a gated community rarely open to the public.

Floating high above the valley floor in Mirada Estates sits the latest design of architect **James Schmidt, AIA**. Inspired by his clients' interest in the designs of Richard Neutra and Miss Van Der Grinten, this

**AIA.** Inspired by his client's interest in the designs of Richard Neutra and Mies van Der Rohe, this residence is a true collaboration between architect and client.

The pavilion is a triumph of minimalism and expresses elements of mid 20th-century modern architecture, translated into this century through cutting edge materials and technologies. With interior design by Mark Nichols, the home captures the essence of indoor/outdoor desert living, providing vast, stunning views across the entire desert floor below. The strong linear elements and extraordinary design present the perfect setting for a sunset reception enjoying poolside cocktails and appetizers.
